

*Please give to the*  
**Tate Herbert Memorial Fund**  
supporting justice education programs for youth

Each October, the Herbert family in Barrie, Ontario hosts a benefit show and donates the proceeds to OJEN. Tate's Tableaux honours the life of their son, Tate, who died of cancer in 2013 while in his first year of the Law and Society program at Sir Wilfrid Laurier University. Donations to the fund in his name support OJEN's programs for young people who, like Tate, are discovering the importance of law in their lives and exploring how they can contribute to an equitable society.

*Please support OJEN's justice education programs for youth by donating to this special fund.*
