### ***Braiding Diversity into Justice:***

The goal of the “Braiding Diversity into Justice” event is to connect young women, who are marginalized and/or racialized, with members of the legal sector in order to motivate and empower them. We hope to inspire these young women of diverse backgrounds, and to help them feel confident in their ability to become successful legal/justice sector professionals. The event will primarily take place at the Waterloo Region Courthouse however, participants will also spend a session at a nearby law office (chaperoned by adult supervisors to, from and at the firm) for a portion of the program.
