CORONER'S/PATHOLOGIST'S REPORT

Date: July 25, 2023

Name of Deceased: Bailey Tanner

The deceased was a 34 year-old, 172 cm in height and weighing 175 pounds. A full autopsy with respect to the organs of the deceased was performed (omitted from this report).

The deceased had a blood alcohol level of .08, the level which is deemed unlawful for the operation of an automobile. The level of alcohol does not reveal impairment necessarily nor could it be determined when the deceased last consumed alcohol.

The examination of the body revealed one gunshot wound. The gunshot wound was located on the head of the deceased with entry in the forehead. Death would have occurred within minutes of this injury.

The cause of death was a gunshot wound to the head.
