

## *Season's Greetings from OJEN*

*Before the year fades and becomes just a memory  
Allow me to share a poem-ized summary  
Last holiday season we were packing our boxes  
And early this year we moved to new offices.  
Now we're sharing a space with our partners in PLE  
Together with CLEO we make a great team!  
Our staff have been busy, I say with great pride,  
Delivering programs to youth province-wide.  
To ESL students we gave human rights lessons  
Soon-to-be moms got family law sessions.  
Student in high schools played our A2J game  
And learned how hard justice can be to obtain.  
We've partnered with experts to develop resources  
To help classroom teachers deliver law courses.  
Thousands of youth have performed in mock trials  
Courtrooms were filled with their radiant smiles.  
Des programmes en français, d'Ottawa à Toronto  
Qui font le plaisir des jeunes des quatre coins de l'Ontario  
Par la mise en scène d'un programme adapté, tel un procès simulé  
Mettant en vedette des bénévoles juridiques dévoués et passionnés  
To funders and donors and each volunteer  
And all of the friends who have helped us this year  
Best wishes for health and excellent fortune  
Throughout the New Year from the staff here at OJEN!*
